Will this be enough ...?
Hmm~ Perfect! Won't have problems with stock for a while.

Well, now that that's out of the way, you must rest, got it?
Haven't worked with elf bones in a while
Adamska is an ex-human who literally devoted his flesh to his research about the body. He still continues stocking fresh "parts" and conducting ethically questionable medical magic experiments to this day...
Well, I'm glad you're fine, but did you bring the MONEY?
Thank you...
Yes, I have the money, but you should just become a working adult and not worry about it—
DUN WANNA.
I'll take a gooood look at her with my Alma~
Having said all that, I've known Adam for a long time, so I know he's just weird and not evil. Unlike me, he should be able to handle Reszurre's arms and legs, too.
• EXTREME MAGIC (ALMA)
An innate ability linked with one's soul that can only be mastered through extreme training.
